How To Get Your Earning Payouts:

Getting paid is automated and easy. You just need to do a one-time set up process, so we know where to send your earnings.

Payout is through Wise during the first week of every month.

Set Up Process:

Step 1. You need a free account with Wise (formerly TransferWise).

We use Wise for all payouts for multiple reasons: It is a popular, safe, and easy-to-use banking app. We need to pay folks out all over the world. Paypal and Stripe have proven themselves incompatible with our work and ability to do business.

Wise allows fast transfers directly to your bank account, with very low fees — so you keep more of your earnings.

If you don't already have a Wise account, register one for free using this link:

<https://wise.prf.hn/click/camref:1101I3HdW2>

Step 2. Add Yourself as a Recipient on Wise

Once inside your account, add yourself as a recipient.

(Walkthrough: <https://wise.com/help/articles/2491526/how-do-i-add-or-delete-recipients>)

Step 3. Enter your Wise email in your account on our website.

A) Log in to your account by clicking here:

<https://masterpeace.health/login/>

B) Then go to “Payment Settings” by clicking here:

<https://masterpeace.health/myprofile>

C) Enter your Wise Account Email where it says “Payout Email” and click “Submit.”

That's it, we will now automatically pay you.

(Payout minimum is \$100 USD in earnings accumulated in your account. Funds earned a few days prior to payout may roll over to the next months' payout and not count toward the \$100 USD minimum that month).
